Senior Class — 1973
at
The Bob Wyatt Place — Weston

1973
WOLFPACK
Volume 19
Weston High School
Route 1
Jonesboro, Louisiana

September . . .

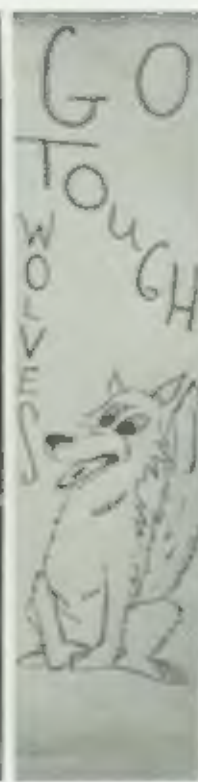

School Days of 1972-73 -
filled with problems,
adjusting to new situations,
getting together with old
and new friends, and attending
PTO meetings again.

October . . .

Initiating the Freshmen,
watching students perform at
the Halloween carnival,
beginning a new basketball
season, and enjoying Bobo
the Magician.

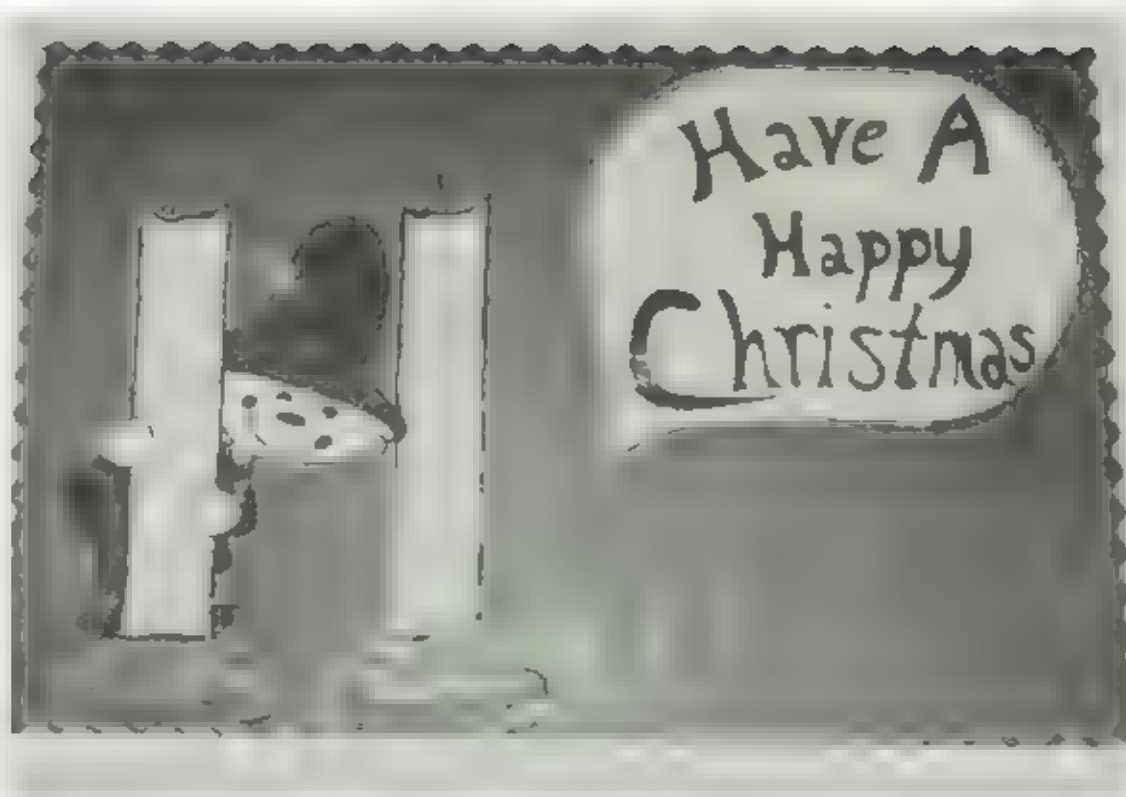

November . . .

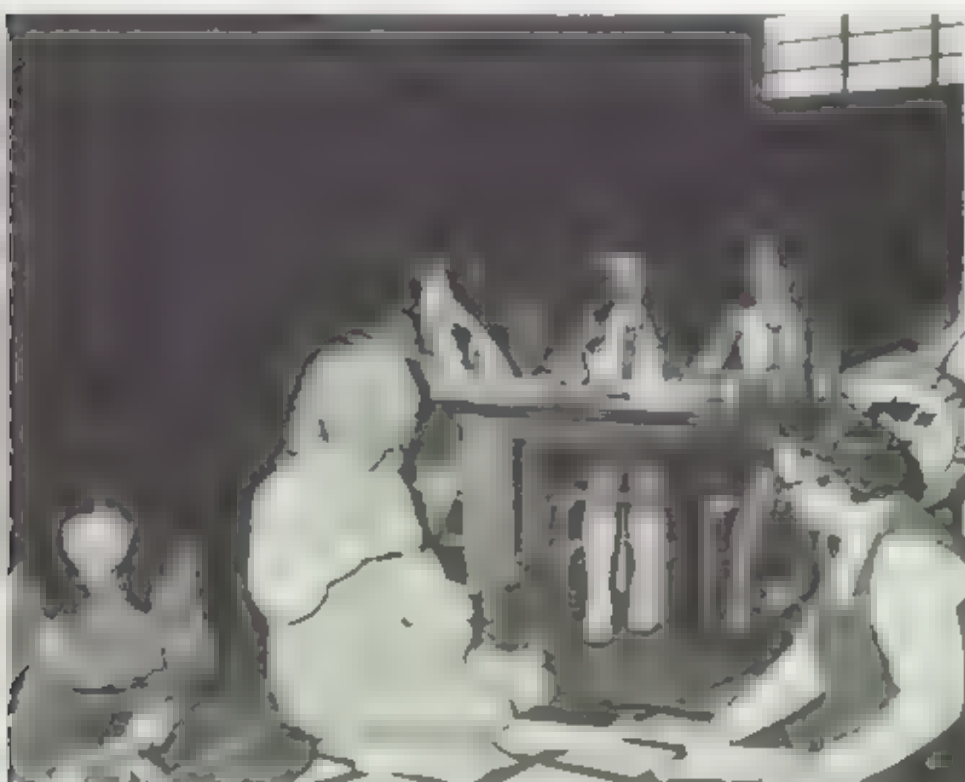

Thanksgiving decorations, food, decorations, and action at the Weston Tournament, senior portraits, senior boys taking National Guard Test, discussing Dope Stop lesson plans, and parents participating in PTO program.

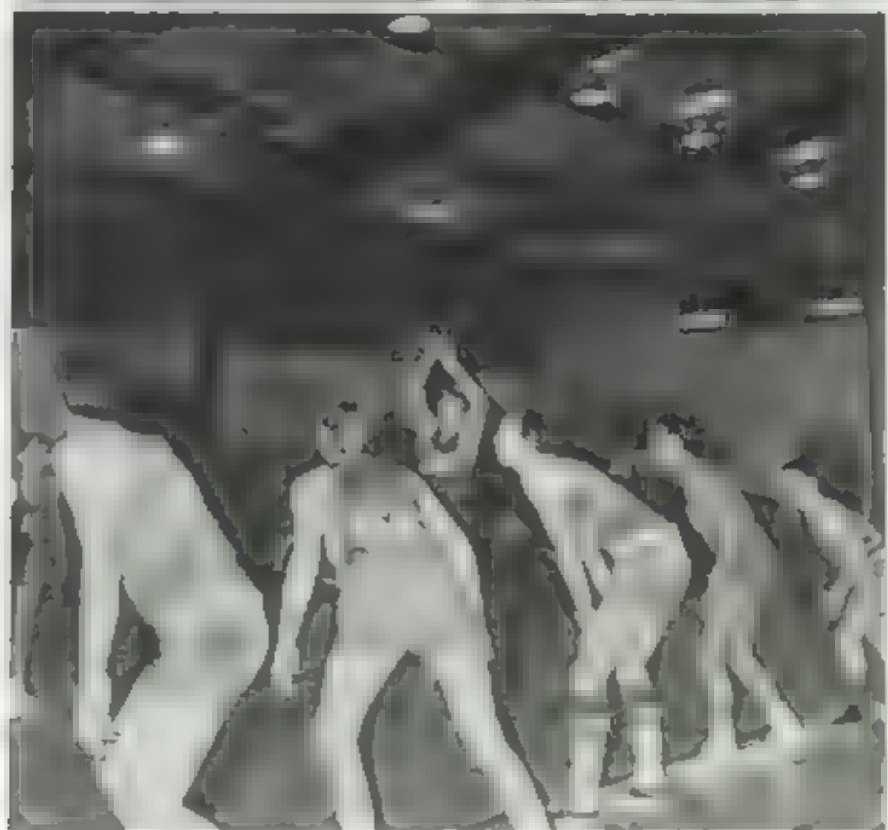

December . . .

Enjoying a Christmas party,
a cute Christmas bulletin board,
looking at Army Test results,
manger scene at Christmas
program, Chapter Mothers providing
entertainment at FHA-FFA party,
practicing Parliamentary Law,
and the Student Council presenting
Christmas gift, from student body,
to Henry McMoy.

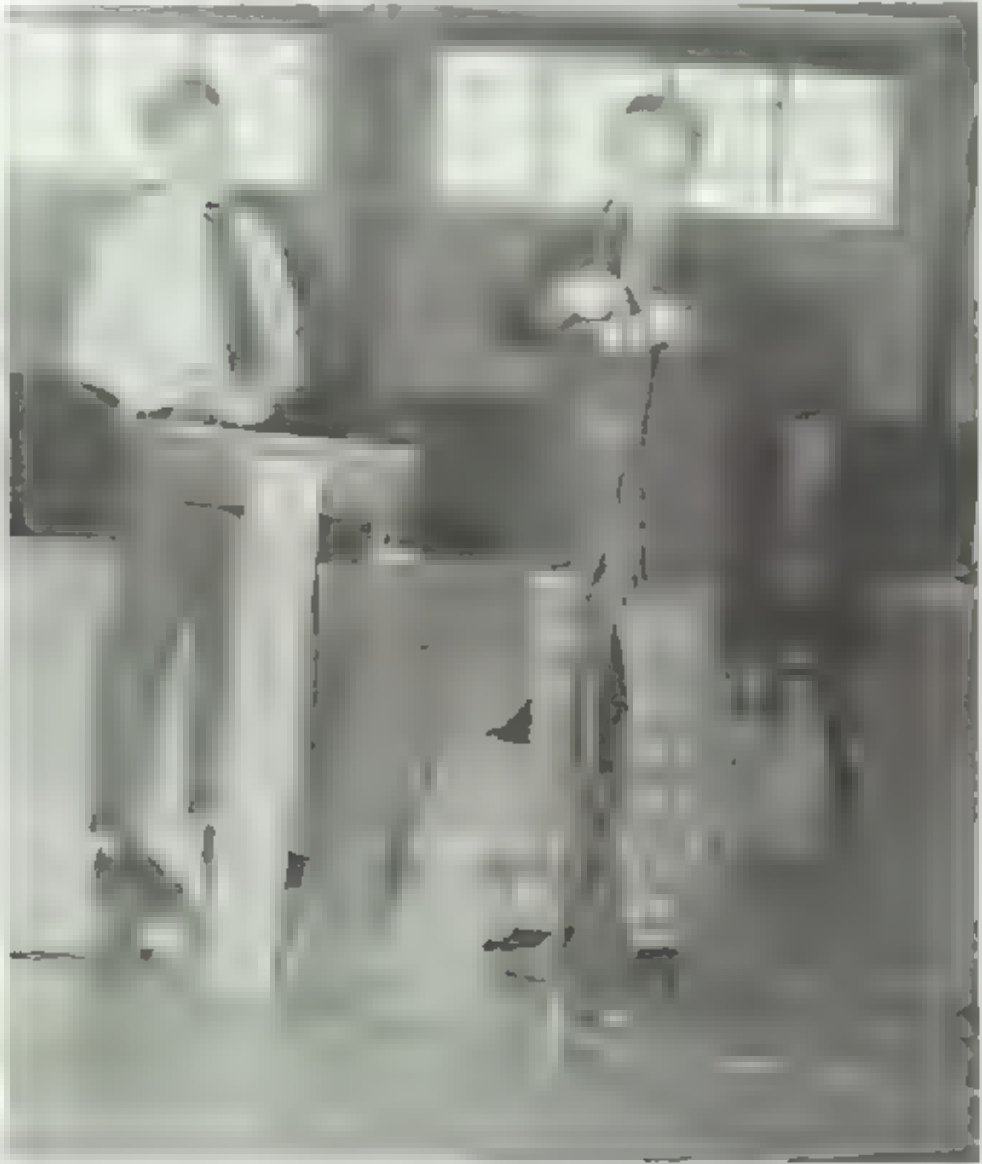

January . . .

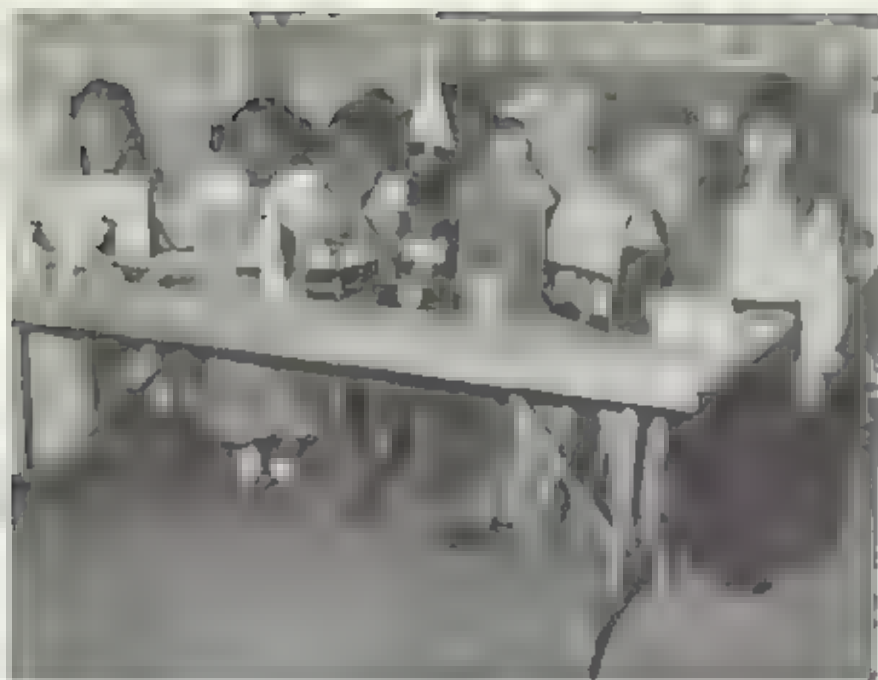

Mrs. Zeno introduces Mr. Jackson to his work before she leaves, Juniors ordering their rings, making the first yearbook shipment, Junior basketball season begins, graduation supplies being ordered by seniors, trees covered with ice on a nearby road, and the Biology class planting trees on Arbor Day.

February . . .

Henry McNoy enjoying his first basketball game this season, Mr. Felix Snipes speaking at an assembly program, father and daughter having fun at Daddy Date Night, children in kindergarten displaying one of their projects, the beginning of Junior basketball season, and Mike Staples giving a demonstration about taxidermy.

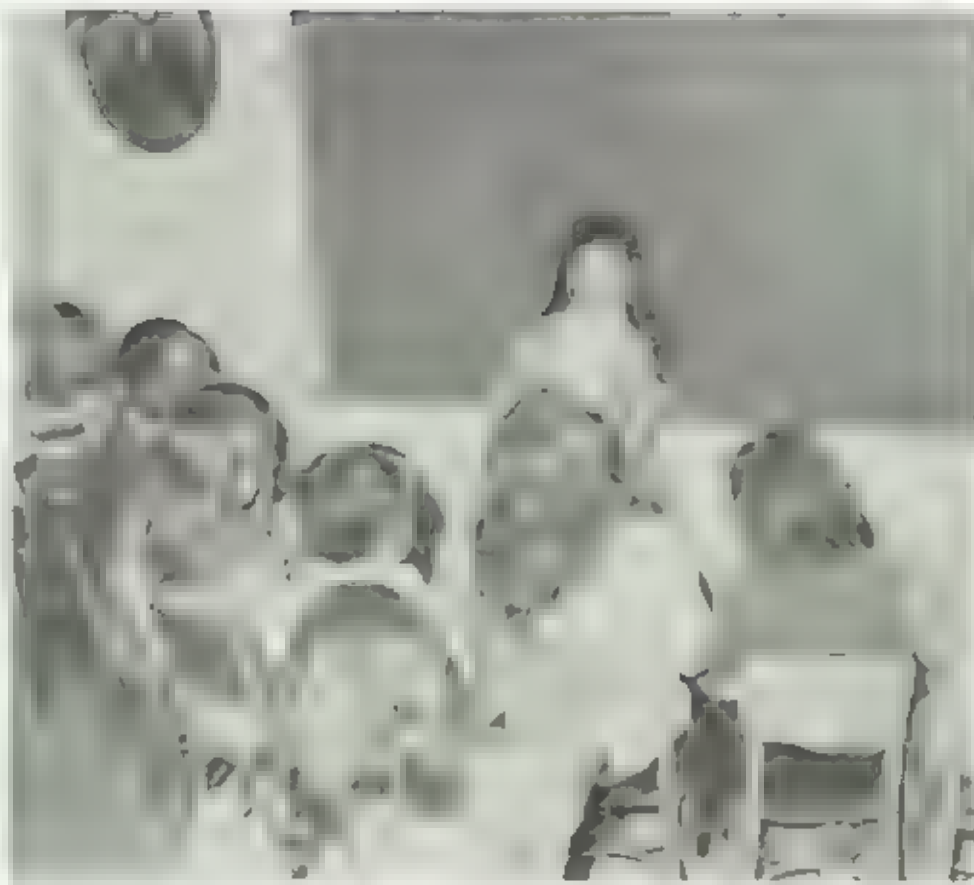

March . . .

Children performing at PTO talent program, another rainy day, students putting finishing touches on background for Beauty Pageant, elementary students showing their history projects, Driver Education students practicing driving, Biology students conducting a rain survey, as featured in "Current Science," and Mrs. Judy Wyatt, second grade student teacher.

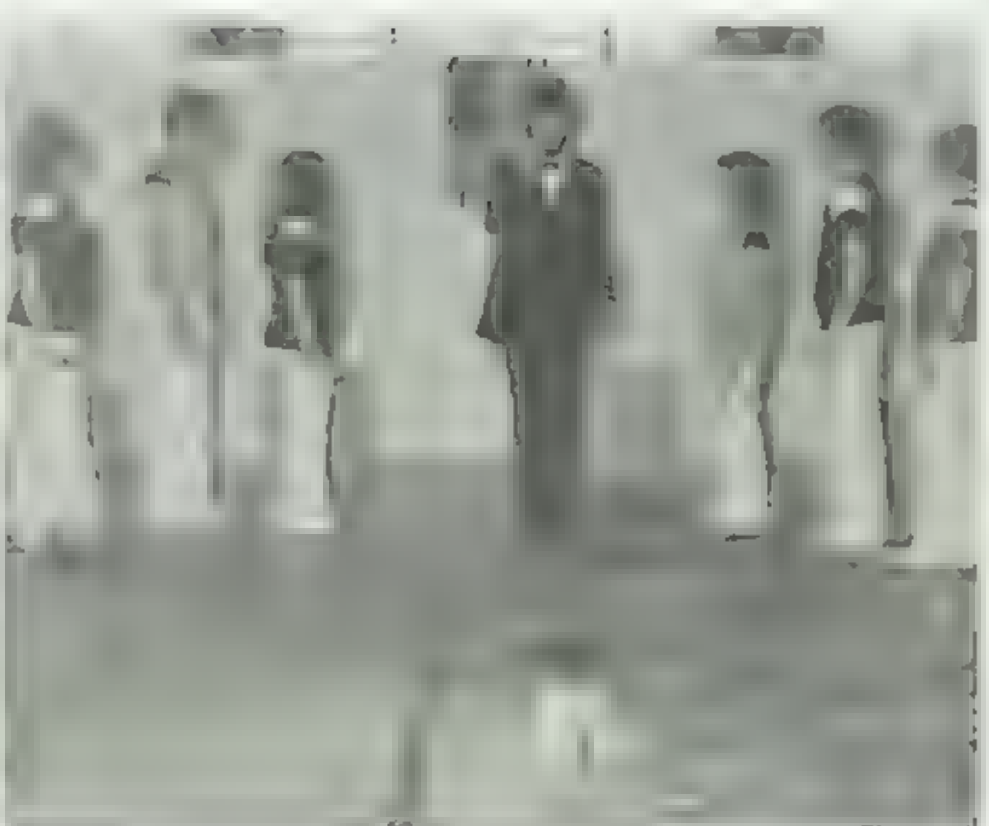

April . . .

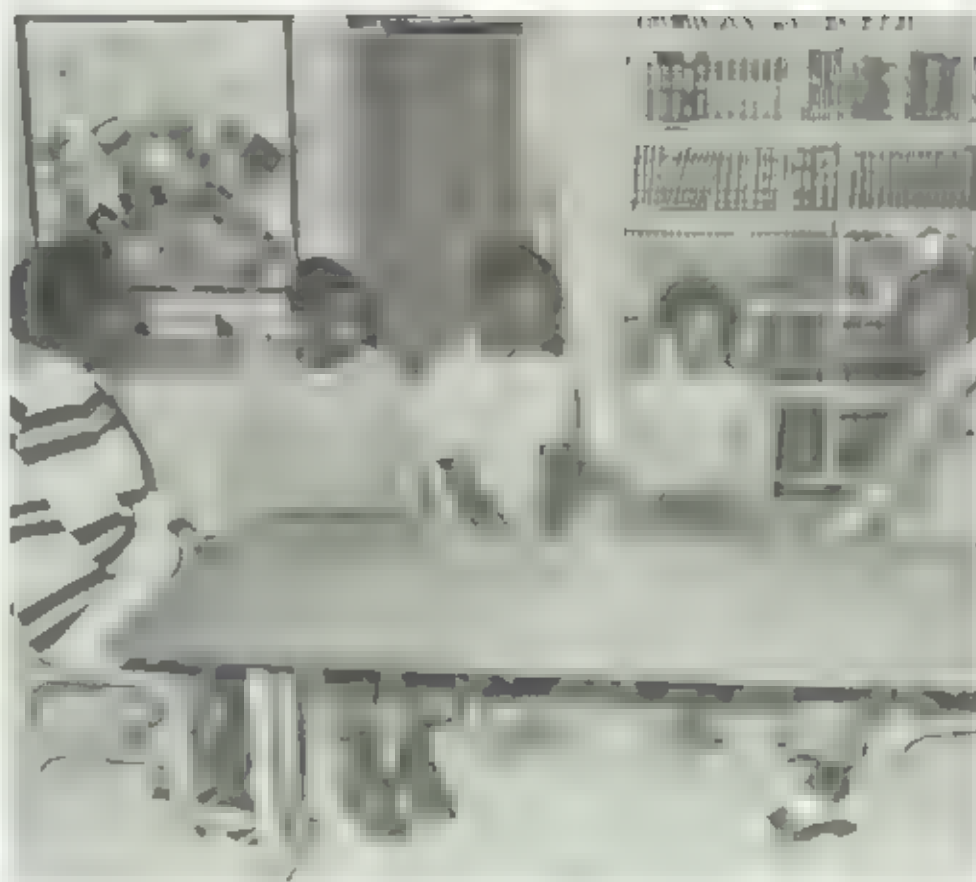

FHA girls taking boxes to the Jackson Manor nursing home; Mr. Brown, emcee for the Beauty Pageant, working with the girls during practice; Juniors receiving their class rings; teachers and students preparing for the Beauty Pageant; Seniors counting their graduation invitations; Juniors decorating for the Junior-Senior banquet; Coach Taylor cooking the hamburgers for the Athletic Cook-out; and preschoolers playing together during Pre-School Round-up.

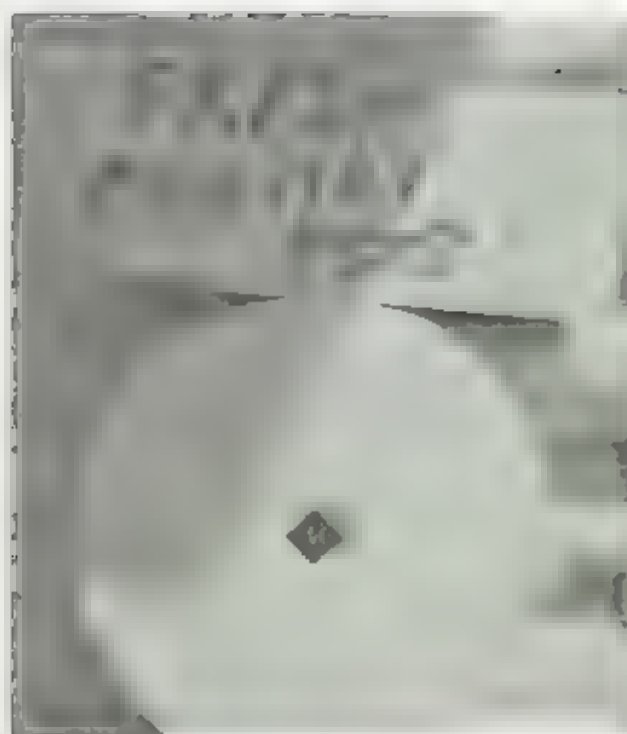

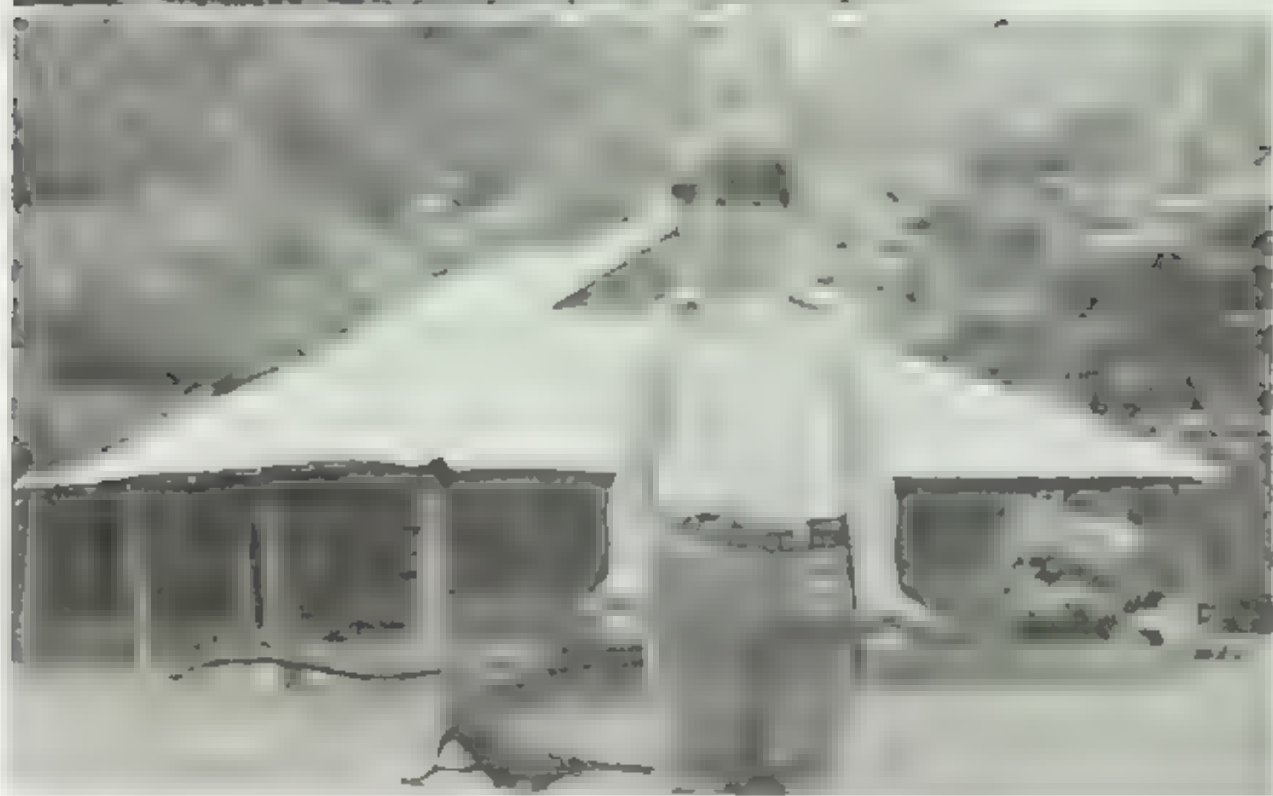

May . . .

Seniors being recognized at Graduation, Kindergarten graduates reciting nursery rhymes, incoming FHA officers at Mother-Daughter banquet, Foundation Singers performing at an assembly program, Mrs. Hall helping teachers check test papers, Mr. Wyatt speaks at Awards Day program, Sgt. Harris counseling students who have school and personal problems, Mrs. Brumley presenting Mrs. Peel with a retirement gift, Juniors and Seniors enjoying the Junior-Senior banquet.

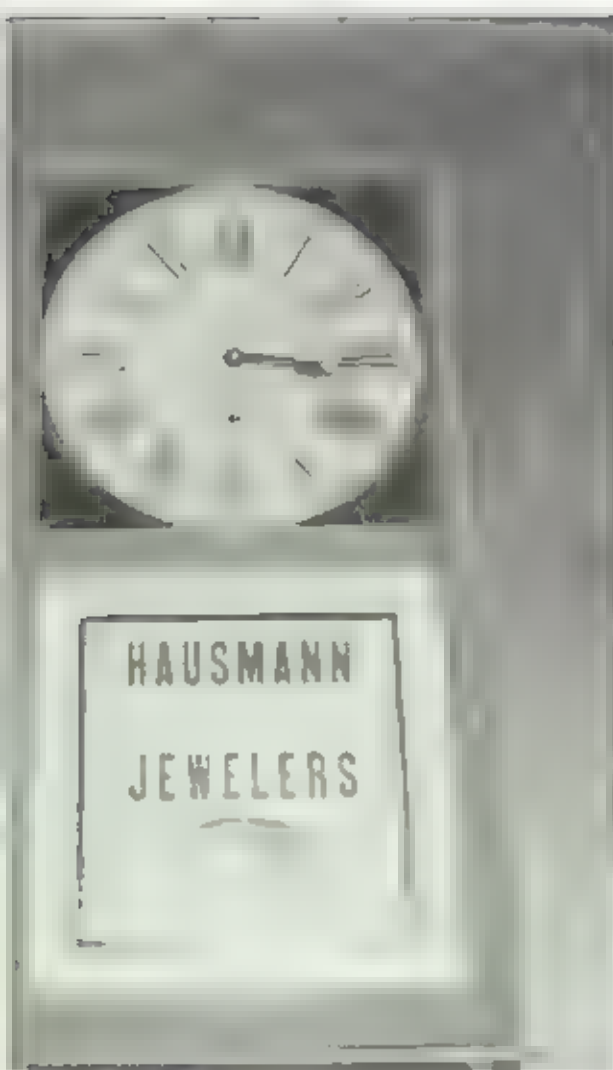

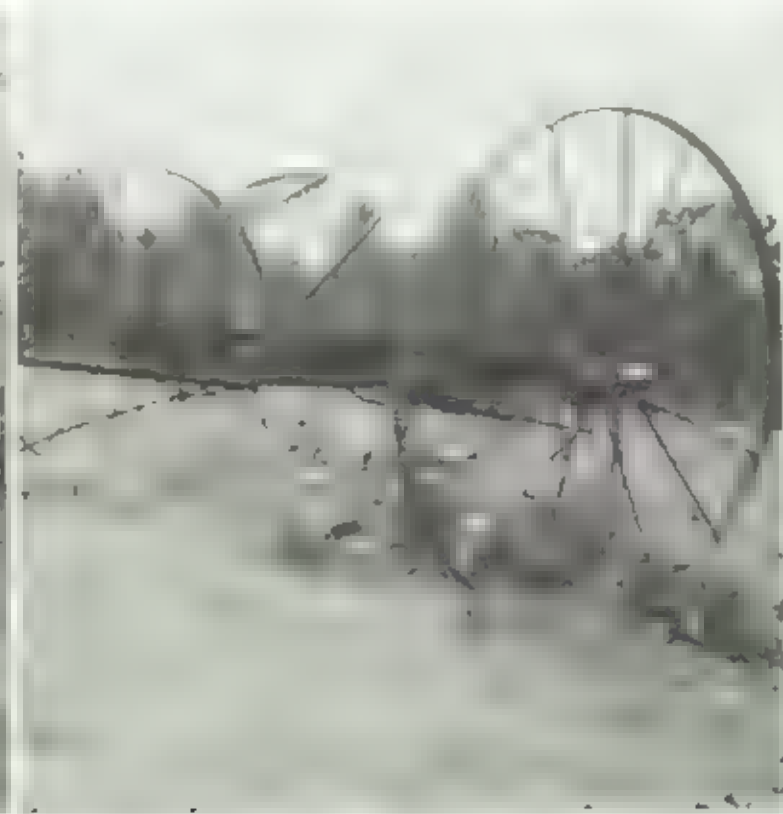

There Are So Many Simple Things . . .

Recognizing that many objects and scenes of days gone by exist in this rural school community and realizing that students and faculty are a part of the ever increasing search for the nostalgic, the staff enthusiastically selected the rural theme. Contacting community residents, visiting various places, collecting antiques, and making pictures have been delightful experiences. Some, perhaps, wish for the calmer life and slower pace as suggested in these memories of rural country life. Others, no doubt, long to retrace the steps down Memory Lane to catch the spirit of steadfastness, inner peace, and deep contentment reflected

"I would not care to lose the past,
For riches there are stored..."

Little Angels

When God calls little children
to dwell with Him above,
We mortals sometime question
the wisdom of His love.
For no heartache compares with
the death of one small child
Who does so much to make our
world seem wonderful and
mild.
Perhaps God tires of calling
the aged to his fold,
So He picks a rosebud
before it can grow old.
God knows how much we need
them, and so He takes but few
To make the land of Heaven
more beautiful to view.
Believing this is difficult
still somehow we must try,
The saddest word mankind knows
will always be "Goodbye."
So when a little child departs,
we who are left behind
Must realize God loves children,
Angels are hard to find.

Dope Stop

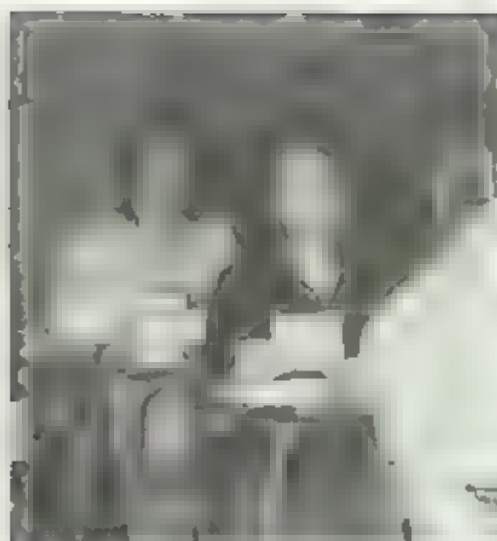

This new program with a different approach for solving the problem of drugs in our society came to our school this year. Lessons were taught by the five high school students chosen by the faculty for character, dependability, and leadership. Teaching once each month in grades four through eight were: Cheryl Stewart, Pat Hampton, Mary Lynn Savage, Tommy Conn, and Duane Hale.

The lessons included learning from news media, stories of "Curious Alice" in the series "Alice in Drug Land," rap sessions, essay writing, and evaluations of "peer group" influences.
